

June 2024 Newsletter

'Encourage one another and build each other up.'

1 Thessalonians 5:11

Dear Parents and Carers,

I would like to start by welcoming everybody back for the Summer term. We have lots going on in school over the coming weeks.

I would like to advise all parents that we have a new date for our Summer Fair which is Thursday 18th July. This will be slightly different this year with the focus being on bringing our school community together to have fun, play games and enjoy some refreshments.

The children will also have the opportunity to audition for Elworths Got Talent. I have attached a form for them to submit their acts but they are also available in the classes for them to complete. More details will be sent out from our PTA soon regarding the summer fair.

Our sports days will be held on either Thursday/ Friday mornings over the next two weeks in the morning and you will be able to access the school field from the gate in the visitors car park at 9a.m. We ask that you bring a chair or blanket to sit on and any refreshments you may need. We expect the sports days to be completed by 12 p.m. with EYFS finishing at 11:30. Should any need to be cancelled due to weather we will do our best to notify parents as soon as possible.

Year 6 Prom is an exciting day for everybody and separate information will be sent to our Year 6 parents. Please note the timings for this is Friday 12th July 4pm-7pm.

We are pleased to say that the swimming pool is open again this week and all lessons have started again including our after school swimming lessons. This will continue alongside the other extra curricular clubs. Children will continue swimming until the last day of school.

I know everybody will be eagerly awaiting the information regarding their child's teacher and class for next year. These will be sent out later this week ahead of our transition days on 25th and 26th June.

We look forward to welcoming our current Year 2 parents to a Year 3 transition meeting on Friday 5th July at 3:30pm.

Finally can I please ask again that all lunch accounts are kept up to date and in credit at all times.

Kind regards

Mr Neil Garratt
Headteacher

Summer water safety

Accidents are mostly preventable with the correct knowledge and judgment and here are our tips to staying safe in the water during the summer:

To enjoy the water safely and make the right call...

- **Enter slowly and carefully**
Think carefully about your ability to splash or swim in cold outdoor water. 49% of those who lost their life were classified as swimmers*. Are you really a good swimmer?
- **Stay within reach**
Don't go too far and stay within a standing depth.
- **Always be supervised**
Over 70% of fatal accidents occur in the absence of professional supervision. Seek life guarded areas and always make sure some one is available to raise the alarm.

Summer is an amazing time to enjoy our beautiful waterways but we must be mindful that warmer weather is directly linked to an increase in fatal drowning incidents.

Rivers and Lakes/Lochs pose the greatest statistical risk as there are often hazards that the average person is equipped to handle and there is a lack of professional supervision.

In an emergency...

- **Call 999**
Ask for the Fire and Rescue Service when inland and the Coastguard if at the coast. Don't enter the water to rescue.
- **If you're in trouble FLOAT and call for help**
Fall in or become tired – stay calm, float on your back and call for help. Throw something that floats to somebody that has fallen in.

STOP AND THINK

STAY TOGETHER

Repair Café Sandbach

Join the repair and reuse revolution!!

Repair Cafés are all about repairing things. You bring your broken items from home and our Fixers, who are unpaid local volunteers, will try and repair your item. You are invited to watch the repair, allowing you to take away not only your repaired item but a new shared skill!

We have a range of skills available including computer tech, bicycles, joiners, mechanical, sewing and more!!

It's also an opportunity to meet new people and enjoy a cup of tea or coffee and/or home bake.

We have tackled toys, clocks, luggage and hairdryers. You can even book your repair in advance by emailing your details to repaircafe@sandbachpartnership.co.uk.
